

CURRICULUM VITAE

October, 2003

NAME: **Douglas C. Ewbank**

DATE AND PLACE OF BIRTH: March 19, 1948 Geneva, Illinois, U.S.A.

ACADEMIC TRAINING:

<u>Degree</u>	<u>Discipline</u>	<u>Institution</u>	<u>Date</u>
B.A.	Economics	Oberlin College	1970
M.A.	Economics	Princeton University	1973
Ph.D.	Economics	Princeton University	1975

Dissertation: An Examination of Several Applications of the Standard Pattern of Age at First Marriage

**POSITIONS HELD:**

<u>Position</u>	<u>Institution</u>	<u>Date</u>
Associate Director	Population Studies Center University of Pennsylvania	1985-present
Adjunct Professor	Department of Sociology University of Pennsylvania	1996-99
Senior Research Investigator	Population Studies Center University of Pennsylvania	1982-85
Visiting Assistant Professor	Food Research Institute, Stanford University	1981-82
Assistant Professor	Department of Population Sciences, Harvard School of Public Health	1976-82
Research Fellow	Bureau of Resource Assessment and Land Use Planning, University of Dar es Salaam, Tanzania	1974-76
Instructor of Economics	Bowdoin College, Brunswick, Maine	1973-74
Summer Intern	Population Council, New York, NY	Summer 1971
Summer Intern	American Friends Service Committee	Summer 1969

Family Planning Program,  
Philadelphia, PA

Summer 1970

**PROFESSIONAL ACTIVITIES:**

Member, Board of Directors, Population Association of America, 2000-2002.

Member, Steering Committee for the Health and Retirement Study, 2000-2003.

Member, National Institutes of Health study section SNEM-3 (Social Sciences, Nursing, Epidemiology and Methods-3, formerly Social Sciences and Population Study Section), Sept. 1998 - June 2003.

Member, Steering Committee for the National Research Council Project on Collecting Bioindicators and Genetic Information in Household Surveys, 1999-2000.

Member of the Population Association of America

Member Institute of Medicine's Board on Health Promotion and Disease Prevention, 1993-1999.

Social Science Coordinator for the International Clinical Epidemiology Network (INCLEN), 1992-1994.

Member of the National Research Council's Panel on Population Dynamics of Sub-Saharan Africa of the Committee on Population, January 1989-December 1994. Chairman of working group on the Effects of Child Survival and General Health Programs on Mortality.

Deputy Editor of Demography, 1984-1987

Participant in Expert Meetings at the National Academy of Sciences, CBASSE Committee on Population:

Behavioral and Social Factors in Disease Prevention, June, 1993

Economic Consequences of Health Programs, June, 1989

Workshop on the Demography of Africa, April, 1989

Workshop on Adding Biomarkers to Demographic Surveys, August 1999

Hormone Replacement Therapy: Its Future for Prevention, Oct. 1999.

Workshop on Collecting Biological Indicators and Genetic Information in Household Surveys, February, 2000.

NIH Special Emphasis Review Panels:

Reverse Site Visit for the Mayo Clinic Alzheimers Disease Patient Registry

Douglas C. Ewbank

Alzheimers Disease Research Centers, 1998 and 1999.

NIA K-12 Awards in the Demography of Aging - 1999

Chaired review of 54 applications in response to an RFA from Fogerty - November, 2000

Various additional reviews for P01s, large R01s, and applications from members of SNEM-3 Study Section.

**COMMUNITY ACTIVITIES:**

Member of The George School Committee, the board of directors of the George School, a Quaker coeducational boarding school in Newtown, Pennsylvania. 1987-1991, 1996-present.

**PI on MAJOR GRANTS:**

NICHD R01-HD18651 on The Demography of U.S. Blacks, 1986-1987.

NIA K01-AG00588: Special Emphasis Career Research Award, Demography and Economics of Alzheimers Disease. 1993-1998.

NIA R01 AG16683: Demographic Multi-state Modeling of Alzheimers Disease, 1999-2002.

**Current Participation in Other NIH Grants:**

NIA P30-AG12836: Population Aging Research Center, P.I.: Beth Soldo. I serve as Associate Director of the Center

NIA AG-10124: Alzheimers Disease Center, P.I.: John Trojanowski. I oversee the Alzheimers Disease Patient Registry and provide statistical consulting to members of the Center.

NIA P01-AG-09215: Molecular Substraites of Aging and Neuronal Death, P.I.: John Trojanowski. I serve as the statistician for a project examining the neuro-pathological correlates of dementia in patients with Parkinsonss disease.

**CONSULTING:**

Consultant to the Institute of Social Research, University of Michigan on plans to add a special dementia survey to the AHEAD survey of older Americans.

Consultant to the Institute of Social Research, University of Michigan on the design of the questions for measuring cognitive functioning in the AHEAD survey of older Americans.

Douglas C. Ewbank

Consultant to the World Health Organization on setting priorities for research on household and behavioral factors affecting health. This was part of a project coordinated by WHO for the United Nations Development Programs, the World Bank, U.S. Agency for International Development, Canadian International Development Research Council, the Swiss, British and Australian governments, and the Rockefeller, MacArthur and Edna McConnell Clark Foundations. January, 1995.

Member of the panel to review proposals to the USAID University Development Linkages Project organized by the Board of Science and Technology for International Development, National Research Council, July 7-9, 1993.

Consultant to PVO Child Survival Support Program, Johns Hopkins School of Hygiene and Public Health, several occasions.

Consultant to Philadelphia Health Management Corporation as a member of the Local Evaluation Planning Group for their project "Philadelphia HIV Prevention Outreach Program: Targeting Injection Drug Users and Their Sexual Partners." 1994.

Consultant to USAID and the SANRU health program on the design and analysis of a series of surveys to measure the impact of child health programs in rural Zaire.

Consultant to the Family Planning Council of Southeastern Pennsylvania on the evaluation of their project: "The Role of Family Planning Services in Drug Treatment Programs," December 1988-December 1989.

Consultant to the HEALTHCOM on design of a survey on knowledge of vaccination and oral rehydration, Niger State, Nigeria, January 1988.

Consultant to the Centers for Disease Control on the measurement of the mortality impact of their Combatting Childhood Communicable Disease Program (CCCD) in Africa, November 1985 to February 1986.

Consultant to the World Bank on Demographic trends in Senegal and the consequences of population growth for development; September 1984.

Consultant for the American Public Health Association to the African Development Bank in Abidjan, Ivory Coast. The project involved writing a health sector policy statement for the Bank, May and June 1984.

Consultant to the Complexe Medico-Social de Cité Simone, Haiti, for AID. The consultancy involved the design and analysis of a survey of fertility, infant and child health, nutrition and mortality, and utilization of health services. The consultancy involved one month in Haiti during August 1980.

Douglas C. Ewbank

Consultant for the Ford Foundation to the King Edward Memorial Hospital, Pune, India, August 23-September 5, 1980, on procedures for evaluating the demographic and health impact of a rural health program.

Consultant to CONOPOFA (the National Family Planning Program) Dominican Republic, on the design of procedures for evaluating program performance, December 3-14, 1979.

Consultant to the Projet Intégré de Santé, Division of Family Hygiene, Haiti, November 6 to November 18, 1977, June 11 to June 18, 1978 and October 30 to November 3, 1978. These consultancies involved the design of a tabulation program and analysis of the vital statistics and family planning data collected through the health program.

## TEACHING EXPERIENCE

Bowdoin College (1973-1974)

Introduction to Statistics  
Introduction to Economics (a two semester course)  
Population and Society

University of Dar es Salaam (1974-1976)

Population Sciences (for students in Statistics)  
Demography for Public Health (for doctors in the program in Community Health)

Harvard School of Public Health (1976-1981)

Introduction to Population Sciences  
Demography  
Management of Family Planning Programs (with Gretchen Berggren)  
Demographic Analysis of Fertility  
Demographic Analysis of Mortality  
Lectured on Mortality and Health in Developing Countries in the Introduction to  
Epidemiology (required of all students in Public Health)

Stanford University (1981-1982)

Population and Development

University of Pennsylvania (most recent year taught)

Undergraduate:

Soc. 128 - Demographic Methods (Planned for Spring 1998)  
Soc 7 - Population and Society (an introductory level course in Sociology - Spring, 1993)  
African Demography (1986)

Graduate:

Dem/Soc 604 - Methodology of Social Research - Fall, 2000  
Advanced Demographic Methods (with Samuel Preston or Herb Smith) - Spring 2000  
Epi 540 - Research Methods (1993 and with Mona Bomgarten 1994)  
Dem/Soc 609 - Demographic Methods (Fall 1993)  
Social Science Research Methods (in Clinical Epidemiology) (Fall, 1992)  
Dem/Soc 622 - Mortality (Spring, 1992)  
Dem/Soc 607 - Introduction to Demography (Fall 1982)

University of Nairobi

Organized and ran program in Demographic Methods for Demographers from Anglophone  
Africa (with Etienne van de Walle) - Nairobi, Kenya, 1985.

Douglas C. Ewbank

**PhD COMMITTEES:** Served on dissertation committees for 23 successful PhDs.
