

UNIVERSITY OF PENNSYLVANIA - SCHOOL OF MEDICINE
Curriculum Vitae

Date: September, 2003

Paul Root Wolpe, Ph.D.

Home Address: 108 Chestnut Avenue
Narberth, PA 19072

Office Address: Center for Bioethics
University of Pennsylvania
3401 Market Street, Suite 320
Philadelphia PA 19104

Education: 1974 – 1979 B.A., University of Pennsylvania (Social Psychology)
1980 – 1986 MA, M.Phil., Ph.D., Yale University (Sociology of Medicine)

Postgraduate Training and Fellowship Appointments: None

Military Service: None

Faculty Appointments:

6/86-8/88 Visiting Assistant Professor, Department of Sociology,
University of Pennsylvania
9/88-8/92 Lecturer, Department of Sociology, University of Pennsylvania
6/88-7/93 Instructor in Medicine, Department of Psychiatry, Jefferson
Medical College
9/92-8/95 Adjunct Assistant Professor, Department of Sociology,
University of Pennsylvania
9/95-5/98 Assistant Professor, Department of Sociology, University of
Pennsylvania
9/93- Fellow, Center for Bioethics, University of Pennsylvania
6/98- Senior Fellow, Leonard Davis Institute for Health Economics
6/98- Assistant Professor of Sociology in Psychiatry, Department of
Psychiatry, University of Pennsylvania School of Medicine
6/98- Assistant Professor, Department of Sociology (secondary
appointment), University of Pennsylvania School of Arts and
Sciences

Hospital and Administrative Appointments:

6/88-7/93 Coordinator of Research, Department of Psychiatry, Jefferson
Medical College
6/88-7/93 Program Evaluator of Inpatient Units, Department of Psychiatry,
Jefferson Medical College

9/95-6/97	Project Director, Project on Informed Consent, Center for Bioethics, University of Pennsylvania
6/00-	Advisory Committee for Complementary and Alternative Medicine, University of Pennsylvania
12/00-	Director, Program in Psychiatry and Ethics, Department of Psychiatry, University of Pennsylvania
3/01-	Chief of Bioethics (Care and Protection of Research Subjects and Patients), National Aeronautics and Space Administration (NASA)

Specialty Certification: Not applicable

Licensure: Not applicable

Awards, Honors and Membership in Honorary Societies:

1981-86	National Institute of Mental Health Traineeship in Mental Health Services Research and Evaluation, Yale University
1982	All-Categories Winner, University Student Essay Award, Sixth International Conference on Human Functioning
1984	Runner-up, Dwight J. Ingle Memorial Writing Award for authors under 35, Perspectives in Biology and Medicine
1985	Runner-up, Candace Rogers Award for student paper in sociology, Eastern Sociological Society
1994	Invitation to prepare Background Paper for the XIIIth International Conference on Medicine and the Social Sciences, Balatonfüred, Hungary
1994-95	"Superstar Teacher of America." The Teaching Company, Springfield, VA
1996	Outstanding Professor at Penn, Panhellenic Council, University of Pennsylvania
1996-	Advisory Board, Center for Jewish Ethics, Reconstructionist Rabbinical College, Philadelphia, PA
1997-	Advisory Board, Finkelstein Institute, Jewish Theological Seminary, New York, NY.
2000-2002	National Board, Center for Sexuality and Religion
2001-2003	National Medical Committee, Planned Parenthood Foundation of America
2002-2003	Member, Planned Parenthood Federation of American ad-hoc Committee on Cloning
2002-	Director-At-Large, National Board, American Society of Bioethics and Humanities
2002-	National Embryo Donation Advisory Board, RESOLVE
2002-	Health Sciences Resource Committee, American Associates of Ben Gurion University of the Negev
2002-	Executive Committee and Board of Directors, Metanexus Institute for Science and Religion
2002-	Pennsylvania State Ethics Advisory Board, Office of the Secretary of Health and Human Services
2003-	National Director of Bioethics Strategic Planning, Planned Parenthood Federation of America
2003-	National Board, Jewish Publication Society

2003- National Advisory Committee, American Association for the Advancement of Science, Program of Dialogue on Science, Ethics, and Religion

Memberships in Professional and Scientific Societies:

National Societies:

The American Society for Bioethics and the Humanities
(Program Committee, 2001, 2002; National Board, 2002-Current)
American Sociological Association
American Association for the Advancement of Science
Hastings Center

Local Societies:

Eastern Sociological Association
(Chair, Conference Committee, 1988)
(Chair, Candace Rogers Award Committee, 1989-91)

National Scientific Committees:

National Medical Committee, Planned Parenthood Federation of America (2000-Current)
Working Group on Ethical Issues in Umbilical Cord Blood Banking, Duke University, Durham, NC. (1998-1999)
American Association for the Advancement of Science
(Member, Program of Dialogue on Science, Ethics and Religion: "What is Life? A Defining Question for Science, Philosophy, and Theology" Project, 2000)
(Member, International Jewish Discourse Project on Religion and Ethics at the Frontier of Genetic Medicine, 2001-Current)
(Member, Program of Dialogue on Science, Ethics and Religion: "Exploring the Origin, Extent, and Future of Life: Philosophical, Theological and Ethical Perspectives")
(National Advisory Committee, Program of Dialogue on Science, Ethics and Religion, 2003-Current)

Local Scientific Committees:

CAPTA Ethics Advisory Committee, Department of Human Services, City of Philadelphia

Editorial Positions:

1998- Editorial Board, Frontier Perspectives
1998- Editorial Board, Illness, Crisis, and Loss
1999- Editorial Board, Alternative Practitioner
2000-2002 Editorial Board, American Journal of Bioethics
2000-2003 Editorial Board, Journal of Alternative and Complementary Medicine
2002-2003 Editorial Board, Physicians OnLine
2002- Special Projects Editor, American Journal of Bioethics

Academic Committees at the University of Pennsylvania and Affiliated Hospitals:

1997-00 Curriculum 2000 Committee, School of Medicine
1998- Dean's Working Group on Alternative Medicine, School of Medicine
1999- Steering Committee, Health and Society Program, School of Arts and Sciences
2000 (Director) University of Pennsylvania Human Subjects Protection Program Audit

- 2000 Twenty First Century Scholars Selection Committee, School of Medicine
- 2001 Responsible Conduct of Research Search Committee, School of Medicine
- 2002- University Committee to propose Institutional Conflict of Interest Guidelines, University of Pennsylvania Health System
- 2003 Chair, Search Committee, Director of Graduate Studies, Department of Medical Ethics
- 2003 Co-Director, Undergraduate Program in Bioethics

Major Teaching and Clinical Responsibilities at the University of Pennsylvania and Affiliated Hospitals:

1. Taught Medicine 200 for last ten years
2. Taught ID 390 (week-long course, now FR601) for last ten years
3. Supervised and taught elective course ID/141 in Medical History
4. Taught and coordinated ethics teaching for Psychiatry 200 for nine years
5. Taught or guest lectured on clinical ethics in a variety of psychiatry resident courses, workshops and seminars, including numerous sessions with PGY4 psychiatry residents last seven years, four clinical ethics sessions with psychiatry residents each of the last three years, and resident training at Pennsylvania Hospital in 1999.
6. Taught or guest lectured on research ethics in a variety of psychiatry resident courses, workshops, and seminars, including PGY4s on placebo issues in research, Dr. Rostain's research ethics course last four years. Taught PGY4 residents in Clinical Neuroscience Research Ethics in 2003.
7. Guest hosted frequent ethics rounds, and gave grand rounds in psychiatry 1999, CHOP Pediatric grand rounds 2000, ophthalmology grand rounds in 2002,
9. Co-coordinated and lectured in the Pastoral Care Internship Program in Ethics at HUP for the last seven years.
10. Teach a variety of full-semester courses in the Bioethics Masters Program, including Bioethics and Society (Fall and Summer 1999, Summer, 2001, 2002) Sociology of Medicine (1997, 1999, 2000), Sociology of Bioethics (every year 1997-2003), Jewish Bioethics (2000, 2002), Health Care and Social Policy (1997), Bioethics Goes to Washington (2003), and Sociology of Health and Illness (2000).
11. Lectured in the mandatory NIH Research Ethics Course for Investigators, including lectures in Conflicts of Interest, Authorship, and Collaboration, 1998-2001.
12. Frequent general lectures to residents and undergraduate medical students, including Dealing with Impaired Physicians (1998, 1999), Socialization into the Medical Profession (1997, 1998, 1999), Alternative Medicine (2000, 2001), Death and Dying (Gross Anatomy) (1997-1999, 2001)
13. Have taught undergraduate courses every semester for seventeen years, totaling over 50 courses

Lectures by Invitation

(Past five years, through September 2003, outside Philadelphia, incomplete -- representative selection):

- May, 1998 "Medical Ethics and Business Ethics." The Conference Board, 1998 Business Ethics Conference: Business Ethics: New Challenges and Opportunities. New York, NY
- June, 1998 "Religious Voices in Bioethics" Bioethics Summer Retreat, Brewster, MA

- Sept., 1998 "Ethical Issues in Managed Care" Executive Program in Managed Care Annual Symposium, Henry W. Bloch School of Business and Public Administration National Center for Managed Care, Lake Tahoe, NV
- Sept., 1998 "Genetics and Religious Perspectives" National Conference of Catholic Bishops and National Council of Synagogues, New York
- Oct., 1998 "Bioethics in Israel and the United States" The Finkelstein Institute of the Jewish Theological Seminary, New York, NY
- Oct., 1998 "Reproductive Ethics and the Genetic Age: What is the Role of PPFA?" Insights Into Women's Health Conference, Planned Parenthood Federation of America, St. Petersburg, FL
- Nov., 1998 "Bereavement and Ethics in Death and Dying." Clinical Psychologists Association of Southeastern PA
- Jan., 1999 "If I am Only My Genes, What am I?" Brandeis Bardin Institute, Ojai, CA.,
- Jan., 1999 "Ulysses Contracts and Competency" Liberty Fund Conference, Houston, Texas
- Feb., 1999 "Genetics and Jewish Sensibilities: How to balance research and ethics" Indianapolis Jewish Federation, Indianapolis, IN
- Feb., 1999 "The Munchkin Code of Death" Medical Humanities Hour at the University of Maryland Medical System, Baltimore, MD
- March, 1999 "Ethical Questions and Answers for Women's Healthcare" and "What can We Say Now? Freedom of Speech and the Internet." Trends in Women's Healthcare, Santa Barbara, CA
- March, 1999 "Designing our Descendants: Popular Views of Genetics and Biotechnology" DuPont Hospital for Children Pediatric Grand Rounds, Wilmington, DE
- March, 1999 "Is Ethical Managed Care Possible?" West Jersey Health System, Voorhees, NJ
- April, 1999 "Death and Dying Workshop: Jewish perspectives" Rabbinical Assembly national Meeting, Baltimore, MD
- May, 1999 "Genes, Jews, and the popular media." Finklestein Institute Symposium, Chicago, IL
- May, 1999 "Cause-related Marketing and Not-for-profit Organizations." Special Forum on Cause-related Marketing, Attorneys General of 13 states, New York, NY
- June, 1999 "Alternative Medicine and the Changing Medical System" Bioethics Annual Summer Retreat, Hot Springs, VA
- June, 1999 "Death and Dying in Jewish Bioethics" "Jewish views on managed care ethics"; and "If I am only my genes, what am I?" Scholar in Residence, Jewish Bioethics at the Crossroads, Bethlehem, PA
- June, 1999 "Jewish and Secular Perspectives on Dying, Death, and Suicide"; "Duty or Obligation: The Role of family in Healthcare setting"; and "Genetic issues: Jewish and secular perspectives." BayCrest Centre Ethics Symposium and Public Forum, Toronto, Canada
- Oct, 1999 "Getting the Care We Deserve" Arthur P. Noyes Schizophrenia Conference, Norristown PA
- Oct., 1999 "Reproductive Genetic issues" Jewish Bioethics Annual Conference, Boston, MA

- Oct., 1999 "Into the New Millenium: The Ethical Challenges in Alternative Medicine. " and "The Ethical Challenge of Integrating Alternative Medicine into the Medical Center" Pocono Medical Center, East Stroudsburg PA
- Oct., 1999 "Ethical Considerations in an Evolving Managed Care Model" Disease Management Association of America, San Francisco, CA
- Dec., 1999 "Ethical and Religious Implications of Genetic Technologies" Rabbinical Assembly of New Jersey, Colonia, NJ
- Dec., 1999 "Culture, Ritual and CAM in the Changing Health Care Environment" Hastings Center/Harvard Conference on Alternative Medicine, Boston, MA
- Jan., 2000 "Genes and Jewish Concerns" Jewish Medical Society of South Jersey, Voorhees, NJ
- Feb., 2000 "The Ethical Stance of the Jewish Chaplain in Clinical Bioethics Consultation" National Association of Jewish Chaplains (NAJC) Annual Conference, Philadelphia, PA.
- Feb., 2000 "Bioethics and Religious Values" Clergy leadership Project of the Lutheran Church, Trinity Conference Center, West Cornwall, CT
- March, 2000 "Technology, Economics, and Reproductive Health" Planned Parenthood Federation of America Annual Meeting, Washington, DC
- March, 2000 "Ethics and the Biological Revolution: A Response." National Rabbinical Assembly Meeting of Conservative Judaism, Baltimore, MD.
- April, 2000 "The Changing Role of the Pharmacist under Managed Care: New Ethical and Legal Responsibilities?" Association of Managed Care Pharmacy, Phoenix, AZ
- May, 2000 "The Merits of Alternative Medicine" American Occupational Health Conference, American College of Occupational and Environmental Medicine, Philadelphia, PA.
- July 2000 "Exploring Issues in Jewish Bioethical Thinking" B'Nai Brith Scholar-in-Residence Weekend, Allentown, PA.
- Oct., 2000 "All Science is Social Science: Belief Structures and background Assumptions," Boston Colloquium for Philosophy of Science, Boston, MA
- Oct., 2000 "What is the Role of Ethics in Pharmacogenetics?" INSIGHT: The Human Genome and the Future of Healthcare, Conference, San Diego, CA
- Oct., 2000 "Conflicts of Interest in Ethics Centers' Dealing with Corporations" American Society of Bioethics and Humanities (ASBH), Salt Lake City, UT
- Oct., 2000 "Innovation in Medicine and Alternative Medicine" American Society of Bioethics and Humanities (ASBH), Salt Lake City, UT
- Oct., 2000 "Who do Human Subjects Protections Really Protect?" AAMC, Chicago, IL.
- Nov., 2000 "Jewish Bioethics and the Bioethics of Jews" Scholar in Residence, Temple Emmanuel, Palm Beach, FL
- Nov., 2000 "Controlling Death." Bancroft NeuroHealth, Facing the Future: Strategies for a Lifetime of Care, Philadelphia, PA
- Jan., 2001 "Freedom and Responsibility in the New Genetics" Liberty Fund Colloquium, Baylor University, Houston, TX
- Jan., 2001 "You shall be as Gods" YJCC, Washington Township, NJ

- Feb., 2001 "Developing Ethical Leadership in Health Care" Leadership in Health Care: Making a Difference, Schering-Plough Advisory Board Conference for Medical and Pharmacy Executives, Scottsdale, AZ
- Feb., 2001 "Developing Strategies for Ethical Leadership" (Workshop) Leadership in Health Care: Making a Difference, Schering-Plough Advisory Board Conference for Medical and Pharmacy Executives, Scottsdale, AZ
- Feb., 2001 "Genomics, Reproduction, and Ethics." Planned Parenthood National Nurse Practitioner Conference, Philadelphia, PA
- Feb., 2001 "Emerging Ethical Issues in Neuroimaging and Cognitive Neuroscience." Medical Ethics Speaker's Series, Stanford University, CA
- March 2001 "What is Life? Examining the Minimal Genome" American Association for the Advancement of Science, Washington, D.C.
- March, 2001 "Identifying Individuals at Risk for Disease: Counseling, Ethical and Legal Issues of Genetic Testing" The American Society for Experimental NeuroTherapeutics, Inc. Third Annual Meeting, "Molecular Genetics and Neurotherapeutics", Washington, D.C.
- March, 2001 "Popular Images and Beliefs about Genetics" SCOB Winter Lecture Series, University of Minnesota Medical School and Division of Health Services Research, School of Public Health, MN
- April, 2001 "Ethics and Human Medical Research" Ethics Symposium, Carlisle Digestive Disease Association, Dickinson University, Carlisle, PA
- April, 2001 "The Meaning of 'Life': Ethical Reflections on Human Stem Cell Technologies", The Fifth Annual Alfred and Sandra Sherman Lecture, Wayne State University, Detroit, MI
- April, 2001 "The Virtual Human: Exploring the Boundaries of 21st Century Science" National Museum of American History, Smithsonian Institute, Washington, DC
- May, 2001 "Ethics in Pharmacogenomics: Looking to the Future" Industries in Transition, West Chester University, West Chester, PA
- May, 2001 "Ethical Leadership in a Changing Health Care System" HealthPartners Annual Physician Leadership Conference, Los Angeles, CA
- Oct., 2001 "A Comparison of the Ethics of Assisted Reproductive Technology in the U.S. and Abroad" and "Embryo Donation and Embryo Adoption" American Society of Reproductive Medicine, Orlando, Florida
- Oct., 2001 "Emerging Issues in Human Subjects Protections at NASA" Johnson Space Center, Houston, TX
- Oct., 2001 "Observing Ethic(ist)s: Reflection on Work and the Profession of Ethics" and "The Beginner's Guide to Failure in Bioethics and the Humanities" American Society of Bioethics and Humanities, Nashville, TN
- Jan., 2002 "Stem Cells from a Sociological Perspective" Society for Jewish Ethics, Vancouver, Canada.
- Jan., 2002 "Protection of Human Subjects in Clinical Research" Aerospace Medicine and the Medicine of Extreme Environments, NASA, Washington, D.C.
- Feb., 2002 "Bioethics and Changing Technologies" New Mexico Military Academy, Roswell, NM
- Feb., 2002 "Our Vision of Ourselves: Cloning, Genetics, and the Media" National Stock Options Traders Society, Palm Beach, CA
- Apr., 2002 "Ethics and Resistance to Biotechnology: Leadership Strategies in Times of Change." Indiana Technology Summit, Indianapolis, IN.

- May, 2002 "Enhancement and Neuroethics." Mapping the Field: Neuroethics" San Francisco, CA
- June, 2002 "Bioethics at NASA" XII Conference on Aerospace Medicine and Space Biology, Moscow, Russia
- June, 2002 "Understanding Cloning" Planned Parenthood Federation of America Executive Board, Washington, DC
- June, 2002 "Bioethics and Human Reproductive Cloning" Planned Parenthood Federation of America, National Web Conference
- June, 2002 "Why Doesn't Bioethics Critique Medicine?" Annual Bioethics Retreat, Lake Placid, NY
- Sept., 2002 "Therapeutic Cloning: Is it the Answer to Our Problems?" Association of Reproductive Health Professionals, Denver, CO
- Oct., 2002 "Reproductive Cloning" Eastern Region Planned Parenthood, Washington, DC
- Oct., 2002 "Jewish Views of Reproductive Technology" Eastern Region Planned Parenthood, Washington, DC
- Oct., 2002 "Anticipating the Future of Reproductive Medicine: Are We Asking the Right Questions?" American Society for Reproductive Medicine, Seattle, WA
- Oct., 2002 "Ethical Leadership in Managed Care" Wellpoint (Blue Cross of California), Rancho Mirage, CA
- Oct., 2002 "Bioethical Issues in Space Research and Clinical Care" Aerospace Medicine Grand Rounds, Washington, D.C. (Videoconferenced to all US Space Centers and the Russian, Japanese, Canadian, and European Space Agencies)
- Oct., 2002 "Emerging Ethical Issues in Bioethics at NASA." American Society for Bioethics and Humanities, Baltimore, MD
- Jan., 2003 "'Cloning, Stem Cells, and all that Mishegas: What Jewish Bioethics can Contribute" Healthcare Federation of South Jersey, Cherry Hill NJ
- Jan., 2003 "Cloning, Stem Cells, and the Return of Religion to Public Debate" Pennsylvania State University, Abington. Abington, PA
- Feb., 2003 "Is Everything the Placebo Effect? Science, Medicine, and Ways of Knowing." Johns Hopkins University, Baltimore, MD.
- Mar., 2003 "Re-Creating Ourselves: The Ethical Challenges of the Biotechnology Revolution" HealthNet Annual Conference for Regional Brokers (Southern California), Carlsbad, California
- Mar., 2003 "Re-Creating Ourselves: The Ethical Challenges of the Biotechnology Revolution" HealthNet Annual Conference for Regional Brokers (Northern California), Napa, California
- May, 2003 "Remaking Ourselves: The Ethics of Reproductive Cloning" Planned Parenthood Health Care Institute, San Francisco, CA
- June, 2003 "Re-Creating Ourselves: The Ethical Challenges of the Biotechnology Revolution" HealthNet Annual Conference for National Brokers, Scottsdale, Arizona
- June, 2003 "Promise or Peril: Jewish Bioethics and the Biotechnology Revolution" Academic Coalition for Jewish Bioethics, Chicago, IL
- June, 2003 "Social and Ethical Barriers to Enhancement Technologies" NSF Workshop on Neuroethical Challenges in Cognitive Enhancement and Learning, New York Academy of Science, New York, NY

- July, 2003 "Slippery Slopes and Social Change" International Jewish Discourse on Genetics, American Association for the Advancement of Science, Washington, DC.
- Sept., 2003 "Ethical Leadership in a Changing Healthcare System" Healthcare Financial Management Association Managed Care Conference, Long Beach, CA

Organizing Role in Scientific Meetings:

- March, 1988 Eastern Sociological Society meeting, Chair, conference committee, Philadelphia
- March, 1989 Eastern Sociological Society meeting, chair, Candace Rogers Award Committee, Baltimore
- May, 1991 Religion, Spirituality, and Mental Illness, organizer and chair, Jefferson Medical College, Philadelphia, PA
- March, 1997 Ethics and American Medicine -- 150th Anniversary Conference, conference committee, American Medical Association, Philadelphia, PA
- May, 1998 Jewish Bioethics at the Crossroads, founder and organizer, Annual International Conference on Jewish Bioethics, Philadelphia, PA
- Oct., 1998 Youth and Hate Crimes: Prevention and Intervention Strategies, co-organizer, The Hate Crimes Consortium, Philadelphia, PA
- June, 1999 Annual Bioethics Summer Retreat, conference director, Hot Springs, Virginia
- Oct., 1999 Jewish Perspectives on Bioethics in the 21st Century, co-organizer, Annual International Conference on Jewish Bioethics, Boston, MA
- Nov., 1999 Complementary and Alternative Therapies in the Academic Medical Center: Issues in Ethics and Policy, director, Philadelphia, PA.
- June, 2000 Religion, Bioethics, and Genetics, Science and Religion Course Program, co-director, John Templeton Foundation, Haverford, PA
- Oct., 2001 American Society for Bioethics and Humanities, pre-conference workshop Director, Nashville, TN.
- Feb., 2002 Bioethics and the Cognitive Neuroscience Revolution, Conference Director, Philadelphia, PA
- Mar., 2002 Jewish Bioethics in the 21st Century, Conference Director, New York, NY
- Oct., 2001 American Society for Bioethics and Humanities, pre-conference workshop Director, Baltimore, MD.
- Oct., 2002 American Society for Bioethics and Humanities, pre-conference workshop Director, Baltimore, MD.
- July, 2003 Beyond Abortion: Critical Bioethics Issues in Reproductive Health for the 21st Century, First Planned Parenthood International Bioethics Colloquium,, Coordinator and Organizer, Snowbird, UT
